March 2, 2010

Individuals participating in the 2010 Annual Clean-up Week are encouraged to use the alternative drop-off schedule for disposing of their garbage. County trucks will be available for garbage pick-up at the area Volunteer Fire Departments from 7:30 am to 5:00 pm on the following designated days. In addition to trucks there will be 2 large dumpsters at each site where space permits. Participants are reminded that all small items are to be bagged or boxed. Individuals wishing to recycle their trash are asked to pre sort prior to dropping off at these locations. The county will have a recycling trailer at each location. **No loose items will be accepted.** (There will be no charge for drop-off at these locations.) **No tires of any kind will be accepted.**
