

INVITATION TO BID

The Barren County Recreation Department will receive sealed bids for the installation of two new baseball fields for the Jackie Browning Park located at 300 Donnelley Drive, Glasgow, Kentucky.

Bid forms and specifications may be picked up Monday through Friday during normal business hours at the Office of the Barren County Judge/Executive, Third Floor, Barren County Government Center, 117 North Public Square, Suite 3A, Glasgow, Kentucky 42141. To request a copy of the bid forms and specifications, please call 270/651-3338.

Completed bid forms should be returned to the Office of the Barren County Judge/Executive by 3:00 p.m. on Friday, September 18, 2009.

The Barren County Recreation Department reserves the right to reject any or all bids.

**Jackie Browning Park Bid Proposal
Installation of Two New Baseball Fields Project
Glasgow, Kentucky**

The Barren County Recreation Department are taking bids for work as follows on baseball fields located at the Jackie Browning Park located at 300 Donnelley Drive, Glasgow, Barren County, Kentucky:

Option 1 – Install Two New 50/70, 46/60 225’ Baseball Fields

- Remove all rock and vegetation from both fields.
- Fertilize and amend the soil in the areas to be seeded.
- Seed and mulch the grass areas of the fields with a tall turf type fescue blend.
- Furnish the material and construct the skinned infield areas using “Infield Mar Mix”.
- Furnish the material and construct the pitcher’s mound and batter’s box area using “Mar Mound” mound clay.
- Furnish and install foul poles, two sets of bases per field 60’ and 70’, pitching rubbers for both 46’ and 50’ per field and home plates.

Option 2 – Install Two New 50/70, 46/60 225’ Baseball Fields

- Remove all rock and vegetation from both fields.
- Fertilize and amend the soil in the areas to be sodded.
- Sod the grass areas infield and outfield with a turf type grass.
- Furnish the material and construct the skinned infield areas using “Infield Mar Mix”.
- Furnish the material and construct the pitcher’s mound and batter’s box areas using “Mar Mound” mound clay.
- Furnish and install foul poles, two sets of bases per field 60’ and 70’, pitching rubbers for both 46’ and 50’ per field and home plates.

Option 3 - Irrigation Set Up for Two New 50/70, 46/60 225’ Baseball Fields

- Extend existing 3” main waterline to the two new fields.
- Install irrigation system for two new 225’ baseball fields, infield and outfield.
